Experience

Freelance / Video and Projection Design

May 2021 -Present, Halifax

Since Graduating I have been working professionally as a Video and Projection Designer for over 15 Theatrical productions and events. This work has allowed me to hone my skills not only as a Video editor, animator, technician, IT staff, and designer, but also introduce me to the various lessons of being self employed. I have learned the organizational back end of self employment and to thrive in high pressure, time sensitive environments. Awards: Merritt Award (2023)

Neptune Theatre / Theatre School Teacher

Jun 2018- Aug 2021 Halifax

Teaching Drama classes to Children and Teens ages 4-16 taught me about responsibility, leadership, and preparedness.

Dalhousie University / Language Assistant

Sep 2017- May 2019 Halifax

I was a Language Assistant at the German Department of Dalhousie. I was in charge of teaching weekly tutorials to all 2000 level German students.

Education

Dalhousie University / Bachelor of Arts With Honors

Sep 2016-May 2020 Halifax

I majored in Theatre with special focus in acting. My university experience greatly helped shape the way I approach collaboration and communication in everyday scenarios.
